### 75. Total Values:

Office bomb was sent to the Baron Co. Egypt  
Ontario to make a report about an assault. After  
initial contact with the victim the incident was  
turned over to the investigative division.

The victim, a wrestler with the WWF said in a statement that Vincent K. McMahon actually assaulted him. McMahon is the president/owner of the WWF and the incident happened in locker room #1 at the Bronx Co. Arena. Wachols was alone with McMahon talking about money when McMahon grabbed the victim's crotch region and attempted to fondle it. Wachols pushed McMahon away, knocking him to the floor. At that time arena and wrestling employees and separated the two. The door to the locker room was partially open and the victim believes the other "wrestlers" may have seen or heard nothing. The victim also said this is the second time McMahon assaulted him. The first was at Madison Square Garden last month.
